The Class of '50

The year nineteen hundred fifty has been hailed in California as a year commemorating great events of State importance. To us, the senior class of St. Mary's, nineteen hundred fifty will mark the completing of the preparatory part of our education. To the world at large this may not be a great event, but during our four years at St. Mary's, we have established a few precedents and have, no doubt, broken a few.

When we first came to St. Mary's in the fall of '46, we were the proverbially scared freshmen. Everyone felt much easier and "at home" after the strain of initiation. It was also in our freshman year that we, and our school, made the acquaintance of the noble Dominican priest, Father Hofstee, to whose cause of caring for the lepers on Tala in the Philippine Islands we gave our undivided enthusiasm and help. It was for him that we established our first precedent. In the spring of '47, we gave a dance, "Tala Time," for the benefit of his lepers. A king and queen, prince and princess were chosen to reign for the evening of the dance. Since that year, we have given a dance with a royal court to help Father Hofstee.

In our sophomore year we were more sure of ourselves. We not only gave another successful dance, "April Showers," for Father Hofstee, but also brought in the greatest amount of foodstuff in a drive for the Bishop's Relief Fund, and thereby won for ourselves a holiday. Following tradition, we put out the sophomore issue of the "Kettle" in May of '48. By this time too, the class of '50 had a strong representation on the Honor Society and won the Honor Cup a good number of times.

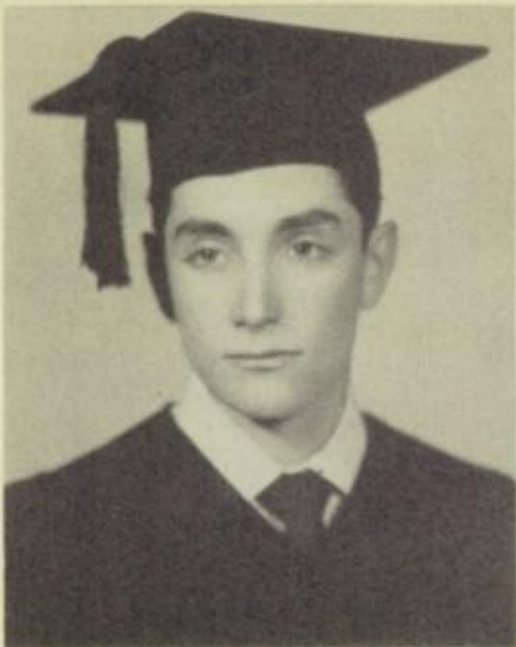

In our junior year our activities reached their high point. The class became more interested in the Catholic Federation and took a more active part in the meetings. Another dance, "High Hat," for the leper colony; the best junior-senior picnic ever, the Junior "Kettle," and a silver tea for the senior girls were among our activities. We, as juniors, honored the seniors at one of the most successful proms, "Blue Moon," at the Country Club. We also started the tradition of the junior-senior ring ceremony on graduation day.

The success of much of our activities of our first three years at St. Mary's was due in great part to the much-appreciated guidance of Sister Mary Christopher, O.P.

We came back to school in the fall of '49 to have the honorable title of "high and mighty" senior hailed to each one of us by the freshman initiates. We gave them a reception entitled "Welcome, Strangers" to show them that they were really welcome at St. Mary's. Our next activity was the Christmas Nativity play which most of us will remember. Long awaited "Ditch Day" finally arrived in February when our class went to the snow to enjoy the winter sports. By the end of the day, beginners in skiing and tobogganning kept pace with the experts. Despite the snow fights, spills, and thrills, everyone had a wonderful time; and the day will never be forgotten by those who participated in it.

We are now graduates; and as we look back over our four years at St. Mary's we find many people who have helped us to attain what we have achieved. Monsignor McGough, the Dominican Sisters, our parents, and even the students themselves, have given us this help whose value we may not have recognized at the time. To all of these people we would like to say, "Thank you," for helping us on our road into adult life, and from thence, into eternity.

Dear Marilyn —

we have had many
good times (the brew, the smokes, eat.)
and I hope we have a lot more —

I miss you when I'm away
and I'm hoping to see you down
at Dominican next year — although
many moons will probably pass
before you even so much as look
at the place —

Love and good luck —

^{Evelyn}
P.S. Don't do anything I
wouldn't do and remember
you represent St. Mary's

Best of Luck
to a terrific
little gal. May
your upper classman
year be great.
Gloria

Wishing you lots
of luck always,
Sylvia Shigheri

Here's wishing one
of the sweetest girls
I know, all the luck
in the world.

Here's to a good maker
